PROFESSIONAL SUMMARY

Motivated and detail-oriented AI & ML enthusiast with hands-on experience in data science and predictive modeling. Passionate about leveraging AI for solving real-world problems. Completed a 3-month internship, gaining practical exposure to machine learning applications. Strong background in statistical analysis, predictive modeling, and hyperparameter tuning.

EDUCATION

MBA (Artificial Intelligence & Machine Learning)
MS University, Saharanpur | Jul 2023 - Present

B.Sc. (Mathematics)
CCS University, Meerut | Jul 2017 - Jul 2021
Relevant Coursework: Linear Algebra, Calculus, Linear Programming, Computer Science

CERTIFICATIONS

Udemy: Complete Data Science, Machine Learning, Deep Learning & NLP Bootcamp | Nov 2024 - Present

O-Level Certificate

INTERNSHIP EXPERIENCE

Artificial Intelligence Intern
Tammar Software, Noida (On-Site) | 3 Months

- Assisted in developing artificial intelligence models for predictive analytics
- Worked on data preprocessing and feature engineering
- Implemented and evaluated different classifiers for performance optimization

PROJECTS

Titanic Dataset Analysis

- Performed data cleaning and preprocessing
- Implemented Random Forest Classifier for predictive modeling

Insurance Premium Prediction

- Developed a predictive model to estimate insurance premiums using regression techniques
- Improved model accuracy through hyperparameter tuning and feature selection

TECHNICAL SKILLS

Python & essential libraries, Data Cleaning & Preprocessing, Feature Engineering, Scikit-Learn, Machine Learning, Hyperparameter Tuning

SOFT SKILLS

Collaborative Teamwork, Effective Communication, Time Management, Attention to Detail

HOBBIES & INTERESTS

Cricket: Demonstrates teamwork, leadership, and strategic thinking
AI Research & Development

LANGUAGES

Hindi, English
